**CONNECT**

- On a long trip in a car, do you prefer to drive or have someone else drive? Why?

**WORD**

**Psalm 119:105**

*"Your word is a lamp to guide my feet and a light for my path."*

**THOUGHT**

Not only does the Word of God inform us of His will, but also, as a light on a path in darkness, it shows us how to follow the right and avoid the wrong way. The lamp of the Word is not the sun. He would blind our eyes in our present fallen state; but we may bless God for the light shining as in a dark place, to guide us until the Sun of Righteousness shall come, and we shall be made capable of seeing Him ([2 Peter 1:19](#), [Revelation 22:4](#)). The lamp is fed with the oil of the Spirit. (Romans 8:13 those are led by the Spirit are sons of God.)

**DISCUSSION**

**1. How do you tell between right and wrong paths? How does the word of God play into your decision-making?**

---

**2. In decision-making who or what do you turn to? Why? Read Proverbs 14:12**

---

**3. What do you think it means to be a lamp unto your feet? Does it mean God is an actual light above our feet?**

---

**4. What do you think it means to be a light unto your path? Does it mean we are working in darkness?**

---

**5. How do you know that you are allowing God to be a lamp unto your feet and a light to your path? Is there a way of knowing?**

---
